

#1 Network's Imagesetting and Scanner Portfolio by Laser Color and Frequency

Argon Imagesetter

#437HP Argon
#937HP Hard Dot Argon
#404HP Argon
#904HP Hard Dot Argon

Autologic: APS Colormaster

Linotype- Hell: L830, DC3020, L930, DC3030

Purup: Iimagemaker 80/05 80/15, 80/20, 80/40. PE 7000, Magnum, Magnum RS, Mercur, Maestro, Maestro RS

Scitex: Raystat, Raystar, ELP, Eray

Screen: SG-708, 757, 777, 808, 818, 888

#1 Network guarantees that all #1 Network Films, Printing Plates, and Ink Jet substrates will equal or outperform every other brand of equivalent product made anywhere on the planet, when exposed, processed or utilized according to published #1 Network recommendations.

If any of these products fail to perform to the customer's satisfaction, they may return the unused portion for a full refund.

Printed with Epson Inks on #1 Network Designer Series PMGU010 Glossy Paper. PMGU010 – Ideal for Epson printers using Epson UltraChrome™ inks..
