

## EXPERIENCE WAITLESSNESS

*Production operations that utilize #1 Network Brand Imagesetting, Camera, Contact and Duplicating Films rise above the demands of the tightest production deadlines.*

No other dealer channel comes close to matching #1 Network for consistent and reliable delivery of **'mission critical'** production materials.

#1 Network's dedicated film manufacturing facility, located in Upstate New York, is uniquely equipped to ship virtually 100% of standard film sizes to #1 Network member warehouses in 48 hours or less!

*"#1 Network guarantees that all #1 Network Films, Printing Plates, and Inkjet substrates will equal or outperform every other brand of equivalent product made anywhere on the planet, when exposed, processed or utilized according to published #1 Network recommendations. If any of these products fail to perform to the customer's satisfaction, they may return the unused portion for a full refund."*
