Cotton Litho Pads and Wipes

These 100% cotton pads and wipes are strong and highly absorbent so they won't break down in water or solvents. They are also soft, contain no chemicals and leave very low lint, so they won't scratch the most delicate materials. Available in 4x4 or 8x8 sizes, these pads and wipes are convenient for camera rooms, stripping areas, platemaking, and small press operations.

562211BL	#1 Network Cotton Litho Pads	4 x 4	100/pkg	20	12

Delicate Task Paper Wipers in a Dispense Protective Box

GP™ Shur-Wipe® delicate/critical task wipers deliver low-lint, low-contaminant performance. Anti-static polyshield minimizes Electro Static Discharge to help protect against damage to sensitive electronic parts. Single ply, soft, non-abrasive, pure fiber paper offers greater absorbency and streak-free cleaning for compatibility with many hard polycarbonates and glass surfaces.
