

STRATA® PRESSURE SENSITIVE Product Selector

Effective 1/1/2006

Strata® line of self-adhesive labelstock products are available in the popularly requested 60# facestocks and sizes - in white, specialty grades, fluorescent and Astrobright colors. These products are premium coated or uncoated, with excellent ink receptivity, ideal for multi color runs and have exceptional layflat characteristics. All products use water-based, acid free and environmentally safe adhesives and silicones. The result is clean cutting paper with no messy edges.
